

# Business West

## West of England and North Somerset

### Health, Social Care and Life Sciences

#### You Said

I want more career development transparency and to know about *progression opportunities*

#### We Did

Signposting Local Provision 121s are available and are currently being conducted by the Business West Employer Engagement Team to highlight *training opportunities and career progression pathways* in the local area

I want to know how to *access training* for my staff

Business West launched in-person and online *Skills Clinics* to help businesses to identify their skills gaps and access ongoing support with our LSIP Skills Advisors to identify relevant training opportunities with partners throughout their skills journey

We need support with integration of *new technologies*

West of England Combined Authority have launched a *range of Bootcamps* in line with the LSIP priorities and in response to the findings providing short, modular training in topics including Health Tech Skills

We need more support for *working efficiently* across the local area in multi-disciplinary teams

Business West are sharing findings with Integrated Care Boards and local NHS Trusts, who are responsible for planning health services for their local population, to *encourage and support change*

## What's next and how can I get involved?

*Access our Signposting Local Provision service*

Bespoke signposting to local provision based on your skills needs and business priorities

*Speak to one of our Skills Advisors*

Business Skills Advisors can work with you to identify your skills needs and signpost to training opportunities in the local area

*Attend our Meet the Expert events*

To shine the spotlight on different industries, highlight the scope of roles available and the skills needed for the sector

We couldn't deliver the LSIP and achieve this impact without our partners:
