Preliminary Findings Amendment Log - Details**

Findings Document	Category	Amendment Rectification	Section, Page	Date Amended	Status
Gloucestershire Agri-food Priority Findings	Correction	Removal of mention of Hartpury University and College offering Horticulture in Further Education provision.	Section 1, page 2	11/04/2023	Document pending upload, awaiting second proofing by partner college
	Clarification	Clearer reference to allied roles and needs for further delineation.	Section 1, page 2	11/04/2023	
	Correction	Progression statistics provided by/for Hartpury are for FE learners only and not Higher Education.	Section 3, page 3	11/04/2023	
	Amendment	'Critical Workplace, Core and Transferable Skills': Clarification of provisional priority 4 and work placement significance.	Section 6, page 10	11/04/2023	
	Clarification	Clarified that sectoral education uptake from non-farming backgrounds is increasing year on year.	Section 6, page 13	11/04/2023	
	Clarification	We are aware of changes to the Adult Education Budget (AEB) and have referenced this as a potential funding stream that aligns with sections of the workforce and needs; this is meant as indicative and not prescriptive, and we are aware that other funding streams may be more appropriate going forwards, dependent on further rationalisation and requirements within this.	n/a	11/04/2023	
	Amendment	'veterinary and technicians' changed to 'veterinary technicians'.	Throughout	11/04/2023
